In-Kind Sponsors

Dear Auction Guests,

On behalf of everyone at PSL Services/STRIVE, and especially the 1500+ individuals that we serve, thank you for supporting our 19th Annual Auction! This year we are excited to once again bring you the “best of both worlds” combining in-person and on-line opportunities to get involved and support STRIVE! This year, our team is thrilled to welcome you into the “Enchanted Forest” - a place where anything can happen. I hope you’ll take a few minutes to enjoy the incredible forest decorations- most have been handmade by STRIVE Participants in our STRIVE Studios program. We’re so excited for you to hear from members of our programs, and new this year, a parent who can describe her experiences with STRIVE firsthand.

In addition to the live experience, tonight also kicks off a week of on-line bidding for our silent auction. This has been a great success in the past, with bidders from over 25 States getting involved in supporting STRIVE. Please support the silent auction by sharing the link far and wide! You can get a sneak peek at the silent auction items tonight. We are tremendously thankful for all of the companies who have contributed items for both our live and silent auctions. Please support the businesses that support STRIVE, and thank them for their donation!

We wouldn’t be able to host this event without our sponsors- and we are incredibly appreciative for their support. We have an impressive list of sponsors this year- and we encourage you to frequent these business partners as well. Their support is crucial to this event- please visit page 10 to see the list of businesses that make our auction possible. We’re also always looking to grow this list, please see a member of the committee if you’d like to get involved next year!

The auction committee has worked tirelessly to bring you a great event, which is really two events with this format! We thank all the committee members for their efforts- which are nearly year-round to make this event a success.

Lastly, while we have expanded our services through STRIVE WorldWIDE to reach participants across the country and beyond, it’s important to point out that all funds raised through the auction stay right here in Maine! Thank you all for your continued support of this event. By purchasing an item, buying a bottle of wine from the wine wall, raising your paddle in our in person and/or virtual ‘fund-a-need’, or by making a direct donation- you are making a difference in someone’s life. Thank you!

With appreciation,
-Pete Brown

PS- Please consider sharing the auction information with others you think may be interested! Thank you!
